

## **New Island Hospital “Circle of Friends Development Fund”**

The **New Island Hospital “Circle of Friends Development Fund”** is a 501 (c) (3) charitable fundraising extension of the *not for profit* New Island Hospital. Having as its President, Aaron E. Glatt, MD, this fund is designed to enhance and augment the excellent clinical services and programs at the hospital, and to bring innovative healthcare to the communities we serve. The hospital is seeking to partner with our local community businesses and industry to join with us and become members and/or supporters of the **“Circle of Friends Development Fund”**.

### **Naming Opportunities / Capital Improvements**
